Hardisty K-9 School Admin Team

Principal Robert Steenwinkel

During the 2014 - 2015 school year, Hardisty K-9 School has provided a wealth of teaching and learning opportunities for our community of students, parents and staff. Throughout the year we were faced with new challenges and areas for growth and as we moved forward, we continued to foster this unique kindergarten to grade nine environment as we took on projects and assignments and learn to be respectful through fostering positive relationships.

It has been my pleasure to serve as the instructional and operational leader for this community of learners and with the help and assistance of all the adults I trust you have had a rewarding and fulfilling year.

As the year concluded we bid farewell to members of our community who are leaving us and we trust that the life lessons that they have learned will serve them well as they continue to be confident and caring citizens of our world. We wish them all the best and look forward to hearing about their challenges and successes as they move forward, building relationships in a responsible and respectful manner.

Assistant Principal Linda Lindsay

It has been an absolute pleasure and privilege to be a member of the administration team at Hardisty over the 2014-2015 school year, and to work with so many dedicated teachers, support staff and parents. Alongside the many Hardisty School traditions and mainstays, we have also embarked on several new and exciting ventures throughout the school year that have created leadership opportunities and unique learning experiences for our students beyond the classroom. I sincerely hope that our students have enjoyed their year of learning and growth, embracing challenges and celebrating successes, and are excited about their new experiences, whether leaving us to pursue the next steps in learning at high school, or moving up to the next grade. Reflecting on the past school year makes me extremely proud to be part of the Hardisty School Community, and look forward to working and learning together in the future.

Assistant Principal Tara Copeman

What an amazing year! There are so many cool things that have happened...but perhaps the thing that stands out to me that students right from Kindergarten to Grade 9 participated in was the Community Garden. This to me represents everything that Hardisty students are. You are champions of nature, community, and teamwork. The beauty of the garden and plants is rivalled only by the beautiful, servant hearts of our students. Every time I look at that garden (no matter how old I get!), I will think of how so many bright and hard-working students came together to show the community what Hardisty Pride looks like when it blossoms.

Welcome to Hardisty

Excellence through Effort
Hardisty is on the cutting edge of education. As the first middle school in Edmonton to allow students to bring their own laptops into the building, Hardisty has made a clear commitment to incorporating technology as a tool to enhance all curricular areas. As such, Hardisty has a traditional computer lab, one mobile laptop lab, four sets of Notebooks, over 280 iPads accessible, and each classroom is equipped with the most up-to-date technology available, such as LCD projectors, SMART Boards, and a robust wireless network with laptops available for students who may not have their own.

Hardisty's commitment to excellence is seen through the efforts of our teachers and students to put these unique opportunities to use. Hardisty is proud to have a vibrant and energetic staff and a student body who endeavors to do their very best. Hardisty strives to be ever learning and improving, to provide diverse and varied programs, to build high-functioning and collaborative teacher teams, and above all to provide an environment where student learning is the focus.

Culture of Diligence
At Hardisty, we believe that teacher learning drives student learning. Hardisty teachers are committed to sharpening their professional skills and passing the benefits of their knowledge to their students. Working in diligent collaboration instead of in isolation allows Hardisty teachers to become stronger and more capable of making quality educational decisions for students.

The basis of this culture of diligence is the belief that to be successful in school each student must come to class on time with all required materials and a positive attitude, diligently finish all homework and be prepared to work with classmates to develop positive, respectful relationships.

Respect, Responsibility and Relationships
These are not just words; they are a daily reality. At Hardisty, our goal is to create and maintain a positive culture as each individual - teacher and student alike - upholds their part in giving respect, taking responsibility and building relationships.

This was a year of change and transitions. I feel blessed that I had the opportunity to spend the past six months growing and learning with such an active, bright group of students and Miss Pharis. Together, we were able to establish a routine, have many laughs along the way and make learning fun. I will miss my students and being a part of the Hardisty team. Have a wonderful summer and year in grade two, God bless.

Our year in the Interactions classroom has been filled with fun hands-on learning activities. Our class learned many different skills through our job of flyer delivery (from patterning to social interaction to learning about our environment to land marking and path finding. Our students also took part in learning life skills by baking many different delicious recipes. Doing this we also worked on math skills, measurement, cause & effect, and daily living skills, all within a yummy context. Hardisty K-9 School halls were filled with daily music while the students engaged their inner Mozart. With daily living skills, community living skills, and literacies, the students in the Interactions Program have shown tremendous growth and success.

The senior girls volleyball team had another fantastic year. We went to 3 tournaments and won gold once. We even managed to beat our arch rivals during that tournament. After a one year Hiatus the wrestling team came back in full force. We had a very healthy showing at our tournaments this year and were very pleased with our rookies as more than 1/2 of the team had no previous wrestling experience. We had a very good showing at the city championships and got 2nd place for the Sr High Boys team award. I am very proud of how quickly the team rallied together in practices and bonded as a collective group. We couldn't have done it without the help of our coaching team of Jesse Ralph and Granville Froese.

What a fantastic season! The ladies had 9 wins and 1 loss. This team has grown and developed so much since we started as juniors three years ago. We are proud of what these ladies have accomplished. They recieced the gold at the Eastglen Tournement (11 years running tradition). The ladies were undfeated at the McNally tournament. Their season finale game was crazy close at 42-40! They played some exceptional competitors and had some very intense games, but these ladies came out on top. This was a fantastic team who supported, encouraged and cheered each other on. They were always positive, hard-working and dedicated to being better each and every game. Thank you ladies for a great year!

It was an entertaining season as we just missed out on playoffs. Throughout the season, Coach Mike helped us to improve a lot. We constantly practiced plays and he pushed us to be our best in every practice. We all learned a lot and developed mentally and physically. Because of this learning season, all of us will be prepared for the gold next year.

The senior boys basketball team this season was a hard working group of competitive players. They did an excellent job representing Hardisty.The team came closer as friends and developed as a well-working unit. With their intensity and love for the game the team finished with a record of 20-6 for the season and captured the silver in the Tier 2 championship game.

Hardisty Dream Team (Staff vs Students)

Another year has come and gone as the teachers have faced off in various sports against our JH grade level teams. Sports such as floor hockey, dodgeball, soccer, flag football, volleyball, and basketball. The teachers have walked proud as the undfeated champions for the past few years. However, we do need to give kudos the the grade 9s who tied us (this has never been done before) in our spring flag football game. As a staff we want to thank our students for keeping us active, laughing together as we celebrated successes and failures together as teammates. **Go Hornets!**

Hardisty Cheer

The hornets are back in yellow and black! HJHS (clap clap) Hornets! This year of cheer was spectacular as we preformed at West Edmonton Mall and got 2nd place! Then out of no where we got a wildcard to go to provincials. We kicked butt and won 3rd place in our division out of Alberta! We are so proud with how well our team did together and worked to achieve greatness.

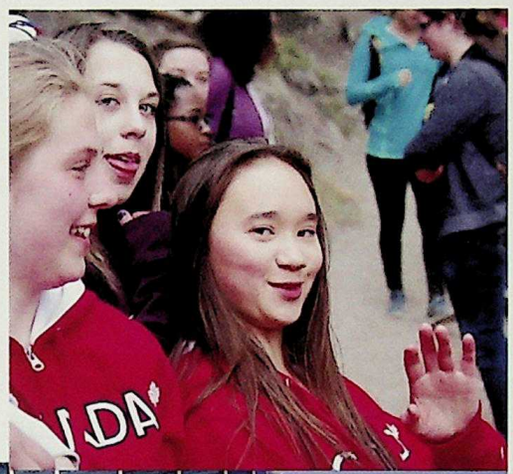
Band Tour

Tuesday, May 12th was a perfect summer day. By 8:15 am, a sleek, new highway coach was waiting at the doors to Hardisty. Forty-four band students from grade 8 and 9 had begun to arrive and were eagerly carrying instruments and equipment down from the band room. Thanks to a few people like Tom Schiltz who were climbing right into the luggage compartment to assist the driver, our luggage packed perfectly and soon we were on the road. Mr. Gordon, Mr. Branter, Mrs. Butt and Mrs. Hesby were our faithful chaperones.

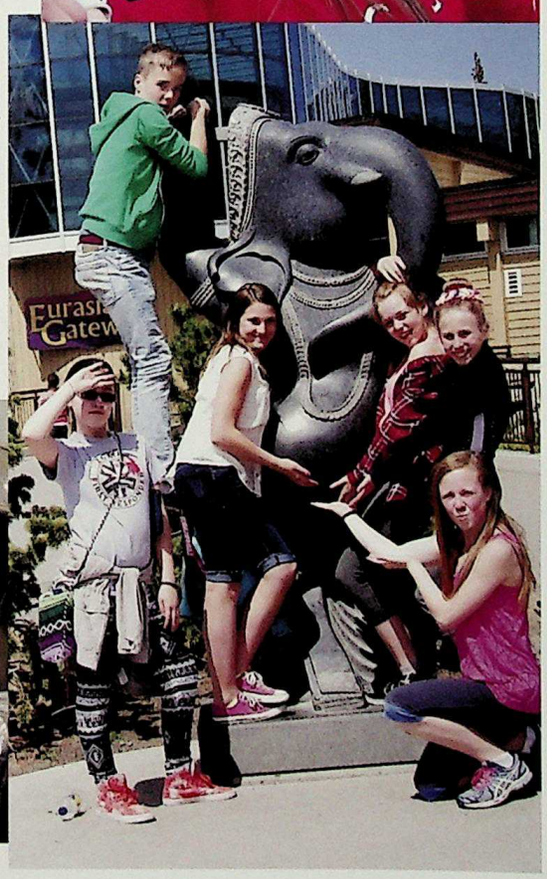
First stop, Peter's Drive-In for their signature fries, shakes and burgers. Despite our warnings, Daniel ordered a large and managed to finish the whole thing! On to the Calgary Zoo, starting with the penguin exhibit and then the gorillas, giraffes, hippos, lions and even peacocks roaming free! Bryce and Devin even checked out the merry-go-round. We all got back on the bus for the next leg of the journey to Canmore. Watching "The Avengers" made the time go faster.

Our hotel in Canmore was located just across the railroad tracks from grocery stores and Tim Horton's and Starbucks and almost next to Dairy Queen and Subway. No problem with finding your choice of food. After an evening at Elevation Place checking out the waterslide, pool and hot tub, we were ready to hang out the hotel lounge area until we all had to go to our own rooms.



Thursday was a full day with a workshop in the morning (discovering a missing percussion bag), learning how to breathe right and working with Mr. Thorlacius, a crazy, but great clinician! In the afternoon we drove to Banff and climbed up Tunnel Mountain for a great view of the town (all of us except Mr. Gordon, he looked after the back of the line!) Some time for shopping and eating and then off to the recreation grounds in Banff for some football, volleyball, basketball and Frisbee.

Friday was an early start with everything needing to be packed on the bus ready to go by 8:30 am. Only one room had to go back and clean things up before being allowed to leave. We headed straight to Red Deer College for our performance in the provincial Festival of Bands. Quickly changing into our best white shirts we warmed up and got ready for the mainstage. Lots of other band students from other schools were in the audience. Everyone was focused and sounded great! From there we had to go work with a clinician (who liked us enough to give us a "Superior" rating) and then do some Sight Reading. That means playing something you've never seen before and getting marked on it the first time. Again a "Superior" rating.



Then off for lunch at the mall in Red Deer and the bus ride home to Edmonton to start our long weekend! Less than 10 minutes to unload the whole coach and put everything away in the band room. What a team! We could do it all over again after the weekend!!
